WITHDRAWAL A Two Week notice must be given to the office before you withdraw your child from the school for any reason.

- If the notice is not given, you must pay the full tuition for those two weeks.
- If you drop out suddenly (during the semester), no refund will be given.

HEALTH Any child with a cold, fever, diarrhea, vomiting or any other contagious disease can not be accepted for the protection of the other children. We will only administer prescription medicine with the child's name on the original bottle. A medicine release is obtained from the front table and should be completed with the child's name, dosage, time, and parent's signature.

SHARE DAY Friday is share day at the school. This day is set for the children to bring a toy to share with their friends. (No guns, no war toys, no pets, no toys with a lot of small pieces, and no expensive or fragile toys) Please mark the toy with your child's name.

BIRTHDAYS We celebrate birthdays because each child is special and needs this special time to feel very important. If you would like to celebrate your child's birthday at the school, you may bring a cake to share with his/her classroom friends. Please notify the teacher in advance.

ARRIVAL & DEPARTURE For your child's protection, we are asking that you accompany your child to the school and sign your child in and out daily. No one will be permitted to take a child off the premises without the written consent of a parent.

A person of at least 18 years of age must sign your child in and out.

DISCIPLINE The school strives to help each child learn and use appropriate behavior. Positive reinforcement and time outs are used to help modify children's behavior. Effort will be made to enhance the child's self-esteem, and teachers will try to help the child understand that certain behaviors are inappropriate.

CLOTHING Each child needs a complete set of extra clothes in a ziplock bag at school with the child's name. A ziplock bag is ideal for keeping the clothes together and sending home soiled clothing. Clothing worn at school should allow for comfort and durability since children get dirty playing, painting, and enjoying their day. Please send your child in soft-soled shoes or tennis shoes.

BLANKET Please provide 2 small blankets for your child to nap on. Blankets should be taken home bi-weekly for laundering.
